MISSISSAUGA TOURNAMENT A BIG SUCCESS!

In only its second year the Mississauga Lightning Invitational Floor Hockey Tournament doubled in size and was once again a success! With 18 teams, a total of 30 games were played, with some great competition along the way. Two games were decided by over-time shoot-outs and many games went to the wire with only one or two goals separating the winner from the loser. Other games saw some offensive firepower and the surprise of the tournament was the turnaround by the London C-team, who at last year's tournament went 0-3, only to turnaround this year and go 4-0 grabbing the Championship in a close game against Scarboro. Mississauga grabbed the 3rd spot in a fun and exciting game against the tough Newmarket team. Both of these games were close matches. In the D-Level York South won all 4 of its games including the final against Saugeen to take the D-Level Championship. This tournament saw many teams compete for the first time, including Essex and Muskoka who showed what a "brave attempt" is all about.

Every player went home with a trophy, a tradition at the annual Mississauga contest.

Tournament organizers were pleased that the schedule was well followed and that each and every game was played. Awards were presented by Scotia Bank Branch Manager David Dickie - whose branch provided not only the financial support, but also volunteer support, and by Special guest EDGE 102 Morning Man Dean Blundell, who tackled the blizzard like conditions to come on out and shake a few hands.

Special thanks to Stew Logan, Mark Woods, Jim O'Gorman, Neil O'Gorman, Steven O'Gorman, Rocco Licalzi, Dave Burt, Andrew Schoenhardt and Bruce Gow who did an excellent job of officiating.

None of this would have been possible without the fantastic and generous help, support and hard work of the parents and family of the Mississauga Lightning athletes. You guys are the best out there!
