**Mississauga Tournament has it all!!**

On Saturday January 31, 2004, the Mississauga Lightning Special Olympics Floor Hockey team hosted its 3<sup>rd</sup> Annual Invitational Tournament at Erindale Secondary School. Twenty teams from across the Province came to compete in one of the largest Special Olympics events in the country! Over 400 athletes, coaches, volunteers, family members and friends saw the 33 games that resulted in Overtime Victories, Offensive barnburners and some tight defensive classics! The rookie Meaford Coyotes, who in their first ever tournament went 4-0 including a nail biting 8-7 win over the Muskoka Rattlers in the Championship game, won the D-Level. In the C-Level the York South Hawks, after winning last year's D-Level made it to the consolation game where they fell to the Cambridge Tigers. All eyes were watching host team Mississauga, who won all three of their round robin games to go on to the C-Level Championship against Toronto, who also went undefeated in their bracket. This Championship game delivered as Mississauga came back from a third period 2-0 deficit to tie the game and grab the Tournament Championship in overtime (3-2). This was the first time that the host team has won their tournament resulting in Erindale Secondary shaking at its foundations as the place went wild!

But it wasn't only the winners who left with hardware. At the Mississauga tournament every athlete leaves with a trophy, because "if you've had some fun, then you've won". Congratulations to all the athletes for a job well done!

If the exciting floor hockey games weren't enough, Michael "Pinball" Clemmons made an appearance signing autographs, taking pictures and meeting almost every athlete in the building!

With all this excitement tournament organizers were ecstatic that every game went off on time and without a hitch. The volunteers, made up mostly of Mississauga parents and family members, along with Scotia Bank – Sheridan Branch's staff, led by Manager Dave Dickie, made sure the tournament was a success.

Special thanks to the referees, Jim O'Gorman, Mark Woods, Dave Burt, Rocco Licalzi, Shawn Turner, Andrew Schoenhardt, Bruce Gow, newcomers Darryl Sukel and Frank Ruffalo and of course Stew Logan for a great job.
